MD's Address

It is with great pleasure that I welcome you to Kor Global Integrated Limited, a pioneering renewable energy company dedicated to transforming the energy landscape in developing economies.

We serve residential, industrial, commercial and governmental clients in the supply, installation, maintenance and repairs of

- Renewable Energy Generation Systems (Solar and Wind),
- Back Up Systems (Batteries, Inverters and UPS),
- Security and Safety Systems (CCTV, Fire detection and Suppression Systems),
- General Contracting (Energy Audit, Consulting, Training, Rural and Urban Electrification Projects, and so on.)

At Kor Global Integrated Limited, we envision a continent powered by clean, sustainable energy. Our team of experts is dedicated to delivering innovative energy solutions.

Our goal is to make a positive impact on the lives of people, create jobs, stimulate local economies, and contribute to a sustainable future.

Thank you for considering Kor Global Integrated Limited as your partner in renewable energy. Together, let's harness the power of nature to create a brighter future for all.

Sincerely,

Emmanuel Agbane

MD/CEO,

"Over the past 20 years we have been deeply involved in addressing the critical challenges of frequent power failures and interrupted power supplies that hinder economic growth and quality of life."

About Kor Global Integrated Limited

As a pioneering renewable energy company, we are dedicated to transforming the energy landscape in developing economies.

Over the past 2 decades we have been deeply involved in finding creative, effective and sustainable solutions for industrial, commercial and residential energy needs.

Kor Global Integrated Limited is established with a vision to provide reliable and uninterrupted power supply. We are passionate about addressing the critical challenges of frequent power failures and interrupted power supplies that hinder economic growth and quality of life.

Our Mission

At Kor Global Integrated Limited, our mission is to deliver sustainable, reliable, and affordable energy solutions that empower communities, drive economic development, and protect the environment. We are committed to harnessing the power of renewable energy to create a brighter, more sustainable future for all.

Our Vision

We envision a world where every home, business, and organization has access to uninterrupted power, enabling them to thrive and achieve their full potential. Our goal is to be the leading provider of renewable energy solutions in developing economies, setting the standard for innovation, reliability, and sustainability.

Industry Focus: Who We Serve

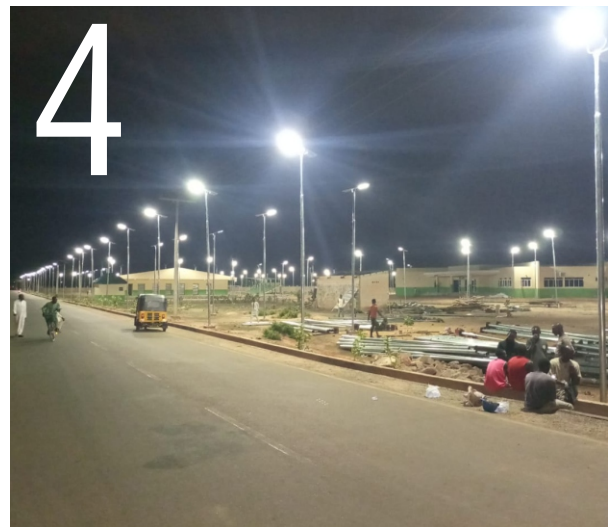

1 Residential: Homes, Residential Estates, etc.

2 Commercial: Business Complexes, Financial Institutions, Hospitals, Schools & Campuses, etc.

3 Industrial: Industries, Factories, Life Camps, etc.

4 Government and Communal Projects: Government Projects, Rural Electrification, Urban Electrification, etc.

Our 5 CORE VALUES

- * **Reliability:** We prioritize delivering consistent and dependable power solutions to our customers, ensuring their operations run smoothly without interruptions.
- * **Sustainability:** We are committed to using renewable energy sources that reduce carbon footprints and promote environmental stewardship.
- * **Innovation:** We continuously invest in cutting-edge technologies and innovative solutions to stay ahead in the renewable energy sector.
- * **Community Empowerment:** We believe in empowering communities by providing them with the energy they need to grow and prosper.
- * **Integrity:** We conduct our business with the highest standards of ethics and transparency.

Our Expertise: What We Do

Solar Power Systems

Top-notch solar energy solutions to empower homes, businesses, and communities. Our expert team designs, installs, and maintains solar energy systems tailored to your unique needs.

- * **SOLAR PANEL INSTALLATION**
- * **ROOFTOP SOLAR INSTALLATION**
- * **SOLAR FARM DEVELOPMENT**

Power Backup Systems

Power outages can be frustrating, especially when they disrupt your business or daily life. That's why we've got you covered with our reliable backup systems.

- * **INVERTERS**
- * **BATTERIES**
- * **UPS**

Security & Safety Systems

Get cutting-edge solutions to safeguard your home, business, and community.

SOLAR-POWERED SECURITY AND SURVEILLANCE SYSTEMS: CCTV cameras, Motion-sensor and alarm systems, Energy-efficient flashlights and floodlights and other Customized solutions for residential and commercial properties

FIRE DETECTION SYSTEMS: Advanced Fire Alarms, Smoke Alarms, Carbon Monoxide Detectors.

FIRE SUPPRESSION SYSTEM: Fire Extinguishers, Sprinkler Systems and Advanced Suppression Systems.

Our Expertise: What We Do

General Contracting

Comprehensive contracting services to empower communities, businesses, and individuals.

Rural Electrification, Urban Electrification, Street Lighting, Solar-Powered Boreholes, etc.

Consulting: Energy Audits, Training, Empowerment

ENERGY AUDIT:

- Identify energy-wasting areas
- Recommend energy-efficient solutions
- Implement cost-saving measures
- Monitor and evaluate energy usage

TRAINING AND EMPOWERMENT PROGRAMS:

- Empowering Communities through
- Renewable energy awareness
- Solar installation and maintenance
- Energy efficiency best practices

Our Partners

**LET OUR
EXPERIENCE SERVE
YOU!**

Understanding that each partner has specific strengths and weaknesses, we expertly combine the best features of their products to deliver the optimal result for your project, ensuring both cost efficiency and exceptional value.

Why Choose Kor Global

We understand the challenges of unreliable power supply. Our mission is to provide sustainable energy solutions that empower homes, businesses and communities.

- EXPERTISE:** We offer the most complete industrial solutions in the country.
- CUSTOMER-CENTRIC APPROACH:** Exceptional customer service and high quality equipment and materials.
- PROVEN TRACK RECORD:** Proven track record of successful installations.
- LOCAL PRESENCE:** We are expertly familiar with local energy terrain. We understand what works, not based on theories but practical experience.
- GLOBAL PARTNERSHIPS:** We are partners with top renewable energy players and manufacturers. We are experts at harnessing the best features of their products to deliver the optimal result for your unique project.
